DESCRIPTION
Principia Gravel 40 captures the best of MTB, Cyclocross, and Road biking—so you can follow your impulses. Ride fast on the road, take a detour through the forest trail, and race home on the gravel path. The Principia Gravel 40 is your companion all year round. In short, gravel riding sets no limits.

NEW FOR 2026: The design is now sleeker, with all cables hidden and frame welds smoothed for a cutting-edge look. The bike is equipped with Shimano GRX, a gravel-specific groupset optimized for gearing, ergonomics, durability, and stability. The Gravel 40 features mounts for fenders, a rear rack, and multiple attachment points for bags and accessories — making it ideal for bikepacking adventures.
