DESCRIPTION
MBK Aura is designed for riders who want an e-bike that matches their lifestyle. With its sleek and modern design, Aura is more than just transportation – it's a statement. The elegant frame hides an advanced electric system, giving you a clean, streamlined look without sacrificing performance. Aura features a powerful and efficient motor system for a smooth and dynamic ride. The removable battery is seamlessly integrated into the frame, combining aesthetics with practicality. With an impressive range of up to 80 km, you're ready for both daily commutes and spontaneous adventures.
To make your ride even better, Aura comes with integrated LED lights and a versatile rear carrier that can be customized for baskets, bags, or other accessories. Every detail is crafted for quality, style, and ease of use.
